

The Neonatology Consult List will show patients with an order for Inpatient Consult to Neonatology [CON7]. The patient will disappear from the list after someone creates a consult note.

## Try It Out

1. Go to Patient Lists.
2. On the bottom of the left-hand side, look for Available Lists.
3. Scroll down to find Meriter.
4. Click on Consults – Physician.
5. Scroll down to find Neonatology. RIGHT click and select Save to Favorites or Send to – one of your My Lists. This will pull the Neonatology Consult list to you My Lists for easy access.
